Over 6 million readers per week in 47 markets

Voice Media is comprised of over 50 metro publications with circulation of more than 2.5 million papers, publishing in the major metropolitan markets shown above. These papers deliver weekly installments of hard-hitting, investigative journalism, complete entertainment updates and to-the-mat opinion and commentary. The readers are informed, involved, and loyal. This audience profile is well-documented through readership surveys conducted regularly by Mediamark Research Inc. (MRI) or Media Audit. Voice Media publications are audited by Audit Bureau of Circulations (ABC) or Verified Audit Circulation (VAC).
